**A Sanctuary Where
Creativity Becomes A
Catalyst For Change.**

Who We Are

We are a Non-Profit Organization dedicated to honoring, empowering and embracing the creative minds of women through sustainable initiatives, innovation, Socio - economic mentorship and community building. We nurture talents that heal the planet and inspire generations.

Founded in the year 2024, Afrikan Women Diversity Centre was Registered on Mon, 21 October, 2024 under section 10 of the Non-Governmental Organizations Co-ordination Act.

“At Afrikan Women Diversity Centre, we believe that every woman holds within her the power to create, to lead and to heal the world”

Our Story

Where Passion Meets Purpose.

Driven by a sense of duty and compassion, Our Founder identified a critical gap to be bridged as a need to bring together and uplift marginalized Women with the primary goal being, to empower sustainably knowing the intersectionality of environment and community.

Recognizing the power of unity and support, She envisioned a platform where these women could come together to exchange ideas, build solidarity, forge pathways to sustainable livelihoods and aid them find something they can get their hands on for a living.

With a deep commitment to sustainability and a wealth of experience in community engagement, She founded an organization dedicated to empowering women within Nairobi and in rural areas with a dream of going international.

Our vision extends beyond mere empowerment and We aim to create a lasting change by focusing on the sustainability and innovation industry, a sector ripe with opportunities for economic growth and environmental stewardship.

Our approach is rooted in sustainability, both environmentally and economically.

Through training, mentorship, access to markets, promoting local craftsmanship and ethical practices, we empower women to become skilled artisans and entrepreneurs, capable of driving positive change in their communities which also contributes to the preservation of traditional skills and reduction of environmental impact.

“At Afrikan Women Diversity Centre, we believe that every woman holds within her the power to create, to lead and to heal the world”

Join us in Our mission to transform the lives of women in Nairobi and beyond. Together, we can build a more inclusive, equitable and sustainable future for all.

**TO HONOR, EMPOWER AND EMBRACE
WOMEN'S CREATIVE MINDS.**

**TO BE A NON-PROFIT ORGANIZATION
THAT CAPACITATES PRODUCTION
THROUGH INNOVATION.**

What we do

(OUR PROGRAMS)

OUR PROGRAMS
IN LINE WITH SDGS:

1. Entrepreneurship in line with SDG No. 1 – No Poverty and SDG No.8 – Decent Work and Economic Growth.

We aim to;

Reduce the proportion of people living in poverty and ensure they have access to basic social services through encouraging them to utilize acquired training skills for income generation by starting their businesses.

Achieve higher productivity through diversification and upgraded technology along with innovation, entrepreneurship and promoting sustainable economic growth by creating decent jobs leading to improved living standards

2. Sustainable Agriculture in line SDG No. 2 – Zero Hunger.

We aim to;

Promote sustainable agriculture through training small farmers in climate smart practices, supporting organic farming, promoting kitchen gardens and urban farming to ensure access to safe, nutritious food for all people and eliminate malnutrition, stunting and wasting in children.

Promote environmentally friendly farming practices that conserve resources, protect biodiversity ensuring long-term food security and empower small-scale farmers through eco-friendly techniques and innovation.

3. Counselling & Mentorship Program in line with SDG NO. 3 – Good Health And Well Being.

We aim to;

Raise awareness in communities about the importance of hygiene, good health, healthy lifestyle and people's rights to quality health care services focusing on key targets that boost the health of a country's overall population.

Raise awareness about the interconnected factors that influence physical, mental, emotional, spiritual, social well-being, highlight how imbalances in one area can profoundly affect the others and empower individuals and communities with knowledge, tools, and practices that promote holistic health and a balanced, fulfilling life.

4. Advocacy & Technical Training in line with SDG No.9 – Industry Innovation And Infrastructure.

We aim to;

Connect emerging women creatives with seasoned & established mentors to spark creativity, cultivate skills, foster confidence and embed sustainable practices day by day.

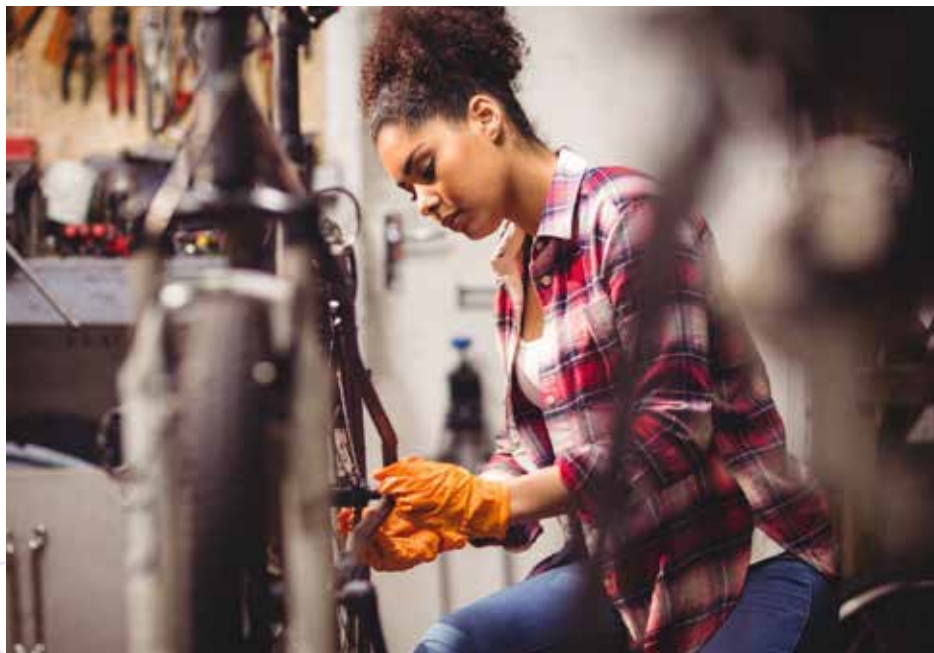

Lead and support initiatives promoting sustainable practices and empowering women's voices across Africa's creative industries through educational mentorships.

Host events and workshops for skill-building and interactive events i.e., seminars, panel discussions, eco-fashion showcases and community forums designed to build community, amplify knowledge, inspire, connect and celebrate sustainable creativity

Promote sustainable industrialization and foster innovation, economic growth, social development improving nature and health and education.

Cultivate an eco-conscious thriving Africa where women's creativity is celebrated, sustainability is second nature, and diversity fuels innovation in leading industries.

More Aims on Advocacy & Technical Training ...

5. Sustainable Solutions in line with SDG No. 10 – Sustainable Cities and Communities.

We aim to;

Be a creative hub offering training in upcycling, ethical design, sustainable material sourcing, and eco-conscious production techniques.

Advocate for sustainable fashion as a powerful tool for social, economic and environmental impact for a greener and more equitable future.

To make cities and human settlements inclusive, safe, economic, resilient and sustainable through cleaning up and recycling waste.

DEBORAH M. KIYAKA

FOUNDER | CHAIRPERSON | BOARD MEMBER

FOUNDER, CHAIRPERSON & BOARD MEMBER.

Deborah is a BSc. in Fashion Design and Marketing graduate with a strong passion for sustainability, women empowerment and building a green economy. Her journey is deeply inspired by her late Mum, who was a beacon of strength and empowerment for women.

Her legacy fuels the mission to use fashion as a force of creating eco-conscious solutions while uplifting and supporting women in creative and economic spaces to thrive in their communities.

Through her work, she aims to blend creativity with purpose, championing a future where fashion empowers both people and the planet.

"I believe in reimagining what's possible when women lead and when creativity empowers, not pollutes."

GEORGE ODEMBA

CO-FOUNDER, TREASURER & BOARD MEMBER

Odemba is the Co-Founder and Treasurer. He plays a key role in overseeing the financial health of the organization. Passionate about innovation, social change and environmental sustainability, Odemba is committed to empowering women in underserved communities by providing them with the skills to turn recycled materials into marketable products. With years of experience as a real estate consultant, he brings a strategic results-driven approach to the non-profit ensuring its growth, sustainability and long-term impact.

"We're not just budgeting for projects, we're investing in creative futures and a healthier planet."

TERESA K. MONG'INA

ORGANIZING SECRETARY, RESEARCHER & BOARD MEMBER

Teresa Believes women are the epicenter to humanity. If women are empowered, families, societies, and the world at large can flourish since they serve as the glue that interconnects all these units. Overseeing daily operations not only is her role as the organization's organizing secretary, but also ensuring every program aligns well with Our Core Values.

"A dream without structure is just a wish. I'm here to ensure every idea finds its wings."

BEATRICE OKOKO

SOCIAL MEDIA MANAGER & BOARD MEMBER

Beatrice is a storyteller at heart. She is passionate about amplifying the voices of women who are often unheard. As the Social Media Manager at Afrikan Women Diversity Centre, she uses digital platforms to share powerful narratives of resilience, creativity and transformation. Every post, photo and caption are crafted with an intention to inspire and inform.

"I don't just post content, I tell the stories that build movements and ignite change."
